Dear Chair DeLauro and Ranking Member Granger:

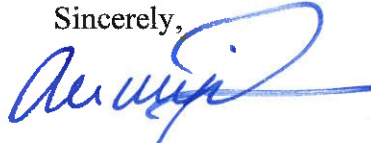

I am requesting funding for Walsh University's Skilled Technical Workforce Program in fiscal year 2022:

The entity to receive funding for this project is Walsh University, located at 2020 E. Maple St, North Canton, Ohio 44720.

The funding would be used to develop new program content and increase the number of program offerings for the University's Skilled Technical Workforce Program located at Walsh University. The project would be a valuable use of taxpayer funds because workforce development through practical and effective upskilling education will help Ohio attract new businesses, retain talent, and become more economically competitive.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Anthony Gonzalez  
Member of Congress
